

USER

JOB MATCH SCORING

- taasan po yung percent ng skills
- hindi umaabot ng 100% kahit i-perfect yung profile

Chatbot

-pag nag-no sa last question about resume, dapat po nare-retain yung mga sagot or yung score instead na uulitin pa yung assessment.

-1 take lang po dapat

-bago po magtanong ng categories (courses), baka po pwede munang mauna yung highest level of education, if high school po, dapat po hindi na iaask yung courses.

-magpa-add din po sana ng question na “do you have other work experiences that are not related to your field?”

Profile

-no need to hold control po sana para makapag select ng multiple skills

Skills (Select based on your qualification category)

Showing skills for: Bachelor of Science in Information Systems

System Analysis
Business Process Management
ERP Systems
IT Project Management
Data Management

Add additional skills

time management

 Type any extra skills separated by commas. These will be combined with your selected skills.

 Hold Ctrl (Windows) or Cmd (Mac) to select multiple skills. Select skills relevant to your qualification category.
