The screenshot shows the 'Career Assessment Bot' registration interface. At the top, there's a blue header with the bot's name and 'Online' status. Below this, a question asks 'What category have you chosen?' with a subtext 'Please select your qualification category:'. There are six cards displayed in a 2x3 grid, each representing a different degree program with its name, description, and duration. The cards are: Associate Degree in Business Management (2-year), Bachelor of Science in Accounting (Degree), Bachelor of Science in Business Administration (4-year), Bachelor of Science in Computer Science (4-year), Bachelor of Science in Education (Degree), and Bachelor of Science in Engineering (Engineering degree). The bottom row shows the start of three more cards for Bachelor of Science in various fields.

Qualification Category	Description	Duration
Associate Degree in Business Management	Two-year degree in business fundamentals, management principles, and practical skills	Two-year
Bachelor of Science in Accounting	Degree in accounting principles, financial reporting, auditing, and tax preparation	Four-year
Bachelor of Science in Business Administration	Four-year degree covering management, finance, marketing, and business operations	Four-year
Bachelor of Science in Computer Science	Four-year degree in computer science covering programming, algorithms, and software engineering	Four-year
Bachelor of Science in Education	Degree in teaching methods, curriculum development, and educational psychology	Four-year
Bachelor of Science in Engineering	Engineering degree with focus on design, analysis, problem-solving, and technical innovation	Four-year

The screenshot shows a dropdown menu titled 'Qualification (Optional)'. The menu is open, displaying a list of 14 qualification options. The first two options are '-- Select Qualification --'. The remaining options are: Associate Degree in Business Management, Bachelor of Science in Accounting, Bachelor of Science in Business Administration, Bachelor of Science in Computer Science, Bachelor of Science in Education, Bachelor of Science in Engineering, Bachelor of Science in Human Resources, Bachelor of Science in Marketing, Bachelor of Science in Nursing, Certificate in Digital Marketing, Diploma in Web Development, and Master of Business Administration (MBA).
